# Product Overview

A Customer Guide to Precision Environmental Control

# Climate. Customized.

## Precision Environmental Cooling

STULZ is a privately owned, global manufacturer of highly efficient temperature and humidity management products and solutions. STULZ engineers a full line of precision air conditioners, air handlers, ultrasonic humidifiers, desiccant dehumidifiers and custom solutions, specifically for industrial, commercial and mission critical applications. Data centers, clean rooms, Edge applications and Industry 4.0, no matter your application, STULZ has a solution. In addition, STULZ is at the forefront of the evolving vertical farming industry and offers a portfolio of precision cooling and ultrasonic humidification solutions.

### User driven. Custom designed. Purpose built.

STULZ is proud to make optimal precision cooling and ultrasonic humidification a reality for any mission critical project. Though our standard product offering exceeds the expectations and needs of most applications, what sets STULZ apart is our expertise in engineering beyond the standard product offerings.

### Comprehensive Service Solutions

STULZ designs, manufactures, and supports customers throughout the life cycle of their equipment. STULZ provides 24 hour technical support, warranty inspection, start-up, training, and replacement parts, STULZ is more than ready to support your cooling and humidification needs. Contact technical support at (888) 529-1266.

Solutions Portfolio			Capacity	Direct Expansion (DX)	Chilled Water (CW)	Air-Side Economizer	Water-Side Economizer	Controls & Monitoring
Data Center	Perimeter		3 - 1080 kW	●	●	●	●	●
